Elements of the outcome of PCDA 4 (for reflection and discussion on Friday, June 1, 2007):

1. Consolidation of the remaining 71 proposals into a smaller number of agreed proposals.
2. The total number of agreed proposals (24 agreed proposals from PCDA-3 + XXX agreed proposals from PCDA-4), based on the original list of 111 proposals.
3. The prioritisation or categorisation (or not) of the agreed proposals, e.g.
 - a) for implementation
 - b) for further discussion and modification
 - c) for longer-term reflection
4. The body to continue work and discussions on the proposals, e.g.
 - a) PCDA
 - b) Otherplus a Working Group ?
5. The scope and duration of work (one year or two years) of the body and the frequency of meetings.
6. A plan for the implementation of proposals, should there be agreement that some of the agreed proposals could be implemented, as well as a mechanism for monitoring, reviewing and evaluating the progress of that implementation.
7. Financial and human resources implications of the implementation plan and review mechanism, if any, and of future work.
