COORDINATION, MONITORING, ASSESSING AND REPORTING
MECHANISM FOR THE DEVELOPMENT AGENDA

Bearing in mind the mandate of the Committee on Development and Intellectual Property (CDIP) to *"Monitor, assess, discuss and report on the implementation of all recommendations and for that purpose coordinate with relevant WIPO bodies"*, and

The decision of the 2010 WIPO General Assembly contained in Annex II of the document WO/GA/39/7 titled *'Coordination Mechanisms and Monitoring, Assessing and Reporting Modalities'*, which *inter alia*, recognized that the aim of the Development Agenda is to ensure that development considerations form an integral part of WIPO's work and that the coordination mechanism should promote this aim;

It is agreed that:

1. All WIPO Committees and bodies will report annually to the General Assembly about the manner in which Development Agenda recommendations are being mainstreamed in their work, and how they are contributing to the implementation of the respective Development Agenda recommendations.
2. To this end, the session of the Committee/body immediately preceding the session of the General Assembly, will contain a standing agenda item titled *"Implementation of the Development Agenda"*.
3. Under the above agenda item, all Members of the Committee/body will be invited by the Chair to provide their views and comment on the mainstreaming of the Development Agenda in the work of that Committee/body.
4. The Chair of the Committee/body will compile the views expressed under this agenda item, and forward the compilation to the Chair of the General Assembly, as the report of the Committee/body to the General Assembly, required under Annex II of document WO/GA/39/7.
5. The General Assembly will consider the report and may request the Chair of the relevant WIPO body to provide it with any information or clarification on the report that may be required.
6. After considering the report, the General Assembly shall forward the report to the CDIP for discussion under the first substantive item of its Agenda. Sufficient time would be allocated to the agenda item to complete its deliberations within the meeting schedule. The duration of CDIP sessions shall be extended on an exceptional basis, if a clear need is identified, subject to the agreement of all

Member States. In addition, during discussion of future work, the Committee may consider the duration of the next CDIP meeting.

7. The CDIP shall include a review of the implementation of the Development Agenda recommendations in its report to the General Assembly, to be discussed in the General Assembly under the standing item of the 'Report of the CDIP', as a sub-item entitled "Review of the Implementation of the Development Agenda Recommendations".
