

**Proposal by the Delegation of Chile
December 12, 2012**

Article 14

Request for Recording of a License or a Security Interest

(3) [Single Request] A single request shall be sufficient even where the license relates to more than one registration, provided that the registration numbers of all registrations concerned are indicated in the request, the holder and the licensee are the same for all registrations, ~~and~~ the request indicates the scope of the license with respect to all registrations and, if applicable under paragraph (2), fees are paid for all registrations concerned.
