Information Note

Airport Bus and City Airport Train

There are several ways of getting from Vienna International Airport to the United Nation’s offices or the centre of Vienna, including metered **taxis** readily available outside the airport and a direct train service to the Centre (**City Airport Train – CAT**). Upon leaving the baggage collection area, one can see signs for taxi, CAT and buses immediately ahead.

To access Vienna International Centre (VIC) from Vienna International Airport, a particularly convenient means of transport is the “**Post Bus**” which travels directly to VIC – UNO City where the meeting is to take place.

The bus stop is located immediately outside the building, Bus Number: **1183 Airport Vienna** <-> UNO City (Wien Kaisermühlen VIC). A one-way ticket on this bus will cost €8. You can buy tickets directly on the bus. The journey lasts approx. 30minutes.

Departure at Airport: **every 60 minutes at minute 10'** (7.10 a.m. - 8.10 p.m.)

Departure VIC (Return): **every 60 minutes at minute 10'** (6.10 a.m. - 7.10 p.m.)

Access to the VIC

Participants coming by “**Post Bus**” or the “**U-Bahn**” on line 1 should get off at “Kaisermülen-Vienna International Centre”, leave the station following the VIC sign, and enter VIC grounds at **Gate 1**.

Participants coming by **taxi** are advised to leave the vehicle in the side lane of the Wagramer Strasse and enter through **Gate 1**.

Registration and security arrangements

Security regulations at the VIC require that all participants pass the X-Ray check at the entrance and register in order to enter the VIC premises. Please bring your **passport** for this purpose.

To register for the conference, the details (name, title/function, workplace and individual e-mail address) of delegates should be sent to julia.widowitsch@unodc.org by Friday, 1 February 2013, at the latest. During pre-registration, Governments should ensure that the information on the composition of their delegations includes the individual e-mail address of each member of the delegation. Providing the individual e-mail addresses will ensure that all representatives receive an automatic e-mail response confirming their registration and any additional information that UNODC might need to send. The automatic e-mail response will also contain a link where each delegate may upload a photograph, thus shortening the time it will take to issue a grounds pass on the day of registration. Delegates who do not complete the pre-registration procedure will need to have photographs taken upon arrival at Gate 1 of the Vienna International Centre. All delegates are requested to confirm their attendance.

As part of the security arrangements, all participants are required to present their invitations or official communications identifying them as delegates, together with their passports or other official photograph-bearing identity documents, at the entrance before proceeding to the registration area and obtaining their grounds passes for the conference. Registration will take place in the Pass Office at **Gate 1** on Thursday, 14 February 2013. Upon registration, participants will be issued VIC conference passes bearing their name and country or organization. For security reasons the display of conference/grounds passes is necessary for admittance to the VIC and must be worn at all times.

The venue of the meeting will be Board Room B. It is located in the M building of the VIC.
