

The WIPO General Assembly:

- (1) Decides to convene a Diplomatic Conference in June 2014 with the mandate to negotiate and adopt a Design Law Treaty.
- (2) Requests the SCT to expedite its work in order to consolidate the text of the basic proposal for the Design Law Treaty and to hold two more sessions of the SCT (one in November 2013 and another in the first quarter of 2014).
- (3) Agrees that documents SCT/30/2 (Industrial Design Law and Practice - Draft Articles) and SCT/30/3 (Industrial Design Law and Practice - Draft Regulations), as well as any textual contributions proposed by Members, will constitute the basic proposal for the Design Law Treaty, and will include a specific article to ensure technical assistance and capacity building for developing countries and least developed countries (LDCs) for the implementation of the future Design Law Treaty.
- (4) Agrees to convene a Preparatory Committee back to back with the second session of the SCT
- (5) Welcomes with gratitude the offer of the Russian Federation to host the Diplomatic Conference in June 2014.
