

*[Article 22] [Resolution]  
Technical Assistance and Capacity Building*

[(1)] *[Principles]* The Organization shall, subject to availability of resources and with a view to facilitating the implementation of the Treaty, provide technical assistance, in particular to developing countries and Least Developed Countries. Such technical assistance shall

(i) be development-oriented, demand-driven, transparent, targeted and adequate for the strengthening of the capacity of beneficiary countries to implement the Treaty;

(ii) take into account the priorities and the specific needs of receiving countries for enabling the users to take full advantage of the provisions of the Treaty.

(2) *[Technical Assistance and Capacity Building]* (a) Technical assistance and capacity building activities provided under this Treaty shall be for the implementation of this Treaty and, where requested, include<sup>1</sup>:

(i) establishing the required legal framework and revising administrative practices and procedures of design registration authorities;

(ii) building up the necessary capacity of the Offices, including but not limited to providing training of human resources, [and providing appropriate equipment and technology as well as the required infrastructure].

(b) The Organization shall provide, subject to [allocation and] availability of resources financing for [WIPO] activities and measures that are required to implement the Treaty in accordance with paragraph (2)(a), (3)(a) and Article 24(2)(v). [Moreover, the Organization shall seek to enter into agreements with international financing organization, intergovernmental organizations and governments of receiving countries in order to provide financial support for technical assistance pursuant to this Treaty.]

(3) *[Other Provisions]* [(a) The World Intellectual Property Organization is urged to expedite the creation of a digital library system for registered designs. Contracting Parties shall endeavor to communicate published registered design information through such system. The Organization shall support Contracting Parties in their efforts to exchange information through this system.]

<sup>1</sup> The Delegation of the United States of America proposed to insert the words "assistance with" after the word "include".

[(b) Contracting Parties to this Treaty [shall endeavor][are encouraged] to establish a fee reduction system to the benefit of design creators [(natural persons and small and medium enterprises (SMEs))]. [Such fee reduction system if implemented shall apply to those who are nationals of and reside in a developing country or an LDC<sup>2</sup>.]

Note on [Article 22] [Resolution]

The Delegation of Spain said that the terms "the Organization shall" would appear to create an obligation on a third party, i.e., WIPO. Depending on the final format of this provision, this formulation could be further reflected on.

**Article 24**  
**Assembly**

<sup>2</sup> Some delegations were of the opinion that the subject matter of this provision was better suited to a Resolution. Other delegations preferred to have this provision in a separate Article. Other delegations were of the view that this provision should not be in the Treaty.

<sup>3</sup> The Delegation of the United States of America proposed the words "provided for implementation of this Treaty" in place of "provided under this Treaty".
