*The Lisbon Union Assembly, recognizing that the Lisbon Union has a deficit and that its receipts do not suffice to cover its expenses, decides that:*

- i) In accordance with Article 11 of the Lisbon Agreement for the Protection of Appellations of Origin and their International Registration (the 'Lisbon Agreement') the Lisbon Union, as a fee-funded union, shall adopt measures by the 2016 Assemblies to eliminate its projected biennial deficit, as described in the 2016/17 biennium WIPO program and budget of the Lisbon Union (1.523 million CHF).*
- ii) the Lisbon Union shall receive a loan from the Contribution-financed Unions if such measures are not sufficient to cover its projected biennial deficit as described in paragraph i) at the Lisbon Union Assembly in 2016. Such loan shall be provided on the basis that no interest shall be payable and that it would be repaid when the Lisbon Union reserves would allow it to do so.*
- iii) the Lisbon Union will take advantage of the meetings of the Working Group for the discussion relating to the Lisbon system in order to consider the financial sustainability of the Lisbon Union, including the options contained in document LI/A/32/3 or any other practical solution, and to present a proposal to the next session of the Assembly in 2016.*
